FROM THE RABBI

“LET ALL WHO ARE HUNGRY COME AND EAT”

At the beginning of the Passover Seder we hold up the matzah as the bread of affliction that was eaten by our ancestors in Egypt. We then invite all who are in need to join us in our celebration of Passover.

The paragraph that introduces the section of the Seder known as Magid, in which we retell the story of the exodus, has always been fascinating to me. In the time of the Beit Hamikdash, the lamb was sacrificed on the afternoon preceding the seder. At that time a declaration was made regarding those that would consume the sacrifice that night. Someone whose name was not on the list could not take part in the eating of the lamb.

In our days we unfortunately do not have this restriction. Without a Beit Hamikdash we do not sacrifice a lamb. That said, specific reservations are not required to attend a seder. Therefore, we are allowed to make an invitation even once we have begun.

At the end of our seder we will declare “Next year in Jerusalem.” Despite the fact that we will have eaten matzah and maror and retold the story, the lack of our Holy Temple in Jerusalem will leave our celebration incomplete. We pray for the time when Passover, and all other of our holidays, can be commemorated the way they were meant to be.

A Happy and Kosher Pesach to all.

Rabbi Evan B. Rubin

FROM THE PRESIDENT

Purim 14 Adar 5775

Purim / פורים

Purim (Hebrew: פורים, Pûrîm "lots", from the word pur, related to Akkadian pûru) is a Jewish holiday that commemorates the deliverance of the Jewish people in the ancient Persian Empire from destruction in the wake of a plot by Haman, a story recorded in the Biblical Book of Esther (Megillat Esther).

As we move into spring and prepare to celebrate Purim, it is very important that we remember how we got to this time in the year.

As Jews we are hard-wired from generations of imprinting. We live to learn how to recognize and appreciate the importance of our historical past and our family origins. We all know the people closest in our lives, those directly responsible for our presence in this world is manifested in the miracle of Purim. It is the unselfish act of doing the right thing.

With that understanding it is the responsibility of each of us to help secure the shul has a solid foundation and bright future.

We are reaching out to the Congregation and seeking your monetary support of the New Generation campaign. Help support the campaign that will allow us to deliver to our community a skilled individual with teaching skills and resources dedicated to Jewish Learning. This will be a person whose primary responsibility is teaching us all about growing as Jews, individually, and so we may grow as a community.

Give something extra. Be like Esther, take this opportunity to do a new 5775 mitzvah and increase your tzedakah for the greater good of Congregation Etz Chayim. Be a part of the positive energy and momentum we are building so we can grow and further cultivate our center for Orthodox Judaism in Toledo.

Buy hamantashen. Plan to attend the Community Purim Carnival with your children. Stay in love with Congregation Etz Chayim, your Jewish Home in Toledo.

SISTERHOOD DONOR UPDATE

WITH SINCERE APOLOGIES TO OUR GENEROUS DONORS

I appreciate the generosity of all of our donors to this year's Sisterhood fundraiser. There were several omissions and some misspellings in this year's list. I was not available to record the contributions that came in as we neared the February bulletin deadline of January 5th and to proofread the lists as I had a significant surgery the end of December and was unavailable for over a month. I want to thank Rochelle Black for making phone calls to many of our previous donors and Elsa Leveton who was left with the task of trying to complete the lists by the February bulletin deadline without access to all the information. I have listed the corrections below. This project raises over \$3,000 which goes directly to needs of the synagogue, especially the Sunday School. I hope the errors that were made will not deter you from supporting this fundraiser in the future.

Sincerely,

Sharon Ravin

IMPORTANT PASSOVER INFORMATION

Below is some information regarding dates and times and rules for Passover. Please note that on Shabbos Hagadol, there will be a special sermon given during the morning service. Times for this service are listed below.

Rabbi Rubin welcomes any questions you might have in regard to the Passover holiday. He is available at the synagogue office, by email at ebrubin@me.com or on his cell phone, 419-290-7315.

Shabbos Hagadol Drasha

The Shabbos preceding Passover is traditionally referred to as “Shabbos HaGadol,” literally, “The Great Sabbath.” On this special Shabbos, it is customary for the Rabbi’s drasha, to focus on a topic related to Passover, thus serving as a preparation for the upcoming holiday. This year’s lecture is titled, “**The Four Sons—Nature or Nurture?**” Be sure to join us on March 28 for this fascinating and inspiring presentation. Shacharit will begin at 9:00 a.m.

Ma’os Chitim: Because of the great expense in purchasing the wine, matzah, and kosher for Passover food necessary for a proper observance of the holiday, charity is collected in the weeks prior to Pesach for the specific purpose of helping those who have a difficult time meeting these expenses. This campaign is traditionally referred to as “Ma’os Chitim,” literally, “Money for Wheat,” referring to the high cost involved in properly tending to the wheat so that it may be turned into matzah. Rabbi Rubin will be collecting money to be distributed to those in need. Please make checks payable to “Congregation Etz Chayim,” and include “Rabbi’s Discretionary Fund” in the memo. If you are in need of financial assistance in properly preparing for the holiday, please contact Rabbi Rubin.

Prohibition of Chametz: Chametz is defined as any product made of the five grains—wheat, barley, oats, spelt, and rye—which has been given an opportunity to leaven. In addition to the prohibition against eating these foods, the Torah forbids even owning such products on Pesach. To ensure that no chametz be in our possession during the entire duration of the holiday, a number of practices are put into place: Bedikas Chametz, Bitul Chametz, and Mechiras Chametz (see below). As a practical matter, only items that bear proper “Kosher for Passover” certification should be eaten on Passover. Due to the complexities of industrial food production, items cannot be deemed kosher for Passover simply by analyzing the printed ingredients.

Prohibition of Kitniyos: The long-standing tradition amongst Ashkenazic Jews has been to refrain from eating “kitniyos” on Pesach. Though literally translated as “legumes,” in the context of Pesach, the term includes to a litany of other items that could be confused for genuine grains. Examples include, corn, peanuts, beans, peas, mustard seed, and soy, as well as any of their derivatives, such as corn syrup, peanut butter, and tofu. As mentioned in regards to chametz, only foods that bear proper “Kosher for Passover” certification should be utilized during the holiday. For questions regarding fresh produce, please contact Rabbi Rubin.

Bedikas Chametz: In order to ensure that chametz has been completely eradicated from our homes prior to the onset of Pesach, the Sages enacted the practice of “Bedikas Chametz,” or “Searching for Chametz,” to be done after nightfall on the eve of Pesach. The Sages called for this to be done specifically at night because of the ability to detect smaller crumbs in the nooks and crannies of the home by candlelight at night than by sunlight during the day. Any areas of the home which cannot be safely checked by candlelight should be examined with a flashlight. Bedikas Chametz should be performed this year on Thursday night, April 2, after 8:43 PM. Following Bedikas Chametz, the appropriate Nullification of Chametz should be recited (see Bitul Chametz, below)

Bitul Chametz: As a safety measure to ensure that no chametz is left in our possession over Pesach, “Bitul Chametz,” or, “The Nullification of Chametz” is performed. This is a verbal declaration whereby the owner removes all ownership over any chametz that may still be left in his possession. This declaration is made twice, each with a slightly variant text from the other. The first declaration is made following Bedikas Chametz (see above) on the night before Pesach. In this declaration, we nullify all that we have not found and are unaware of, but retain ownership over chametz which we are aware of. This exclusion is made so as to still retain ownership over the chametz which we will burn the following morning at Bi’ur Chametz (see below). The second declaration is made following the burning of the chametz on the morning before Passover. In this declaration, we remove ownership from any and all chametz which may still be in our possession. The text for each declaration can be found in any standard Haggadah. Because this is a legal declaration, it is imperative that the meaning of the declaration be understood in its entirety. As such, the declaration should be recited in English, and may then be repeated in the original Aramaic if desired.

Bi'ur Chametz: Literally, "The Destruction of the Chametz." Destroying chametz is an independent mitzvah commanded by the Torah, apart from the overarching need to rid one's home of chametz. This mitzvah can only be performed with chametz that we still own. It is for this reason that the Nullification of Chametz recited the night before, following our search for the chametz was limited only to that chametz which went unfound and of which we were unaware. We make a point of retaining ownership over the chametz which we are aware of so that we will be able to actively destroy it the next morning, in fulfillment of this Biblical mitzvah. We make a point of burning the chametz, as opposed to destroying it through some other means, in order to fulfill the mitzvah according to R' Yehudah, whose opinion as stated in the Mishnah is that burning the chametz is the only manner in which this mitzvah may be fulfilled. The chametz should be burned before 10:00 AM and no chametz should be eaten afterward until the closing of Pesach.

Mechiras Chametz: Chametz that the owner does not wish to destroy before Pesach may be sold to a gentile. To effect this sale, the rabbi is given "power of attorney" over a person's chametz and then sells it to a gentile on the owner's behalf on the morning before Pesach. Rabbi Rubin will be available following morning and evening services and by appointment until the morning of Erev Pesach, Friday, April 3rd. to be appointed as an agent to sell your chametz on your behalf.

PLEASE NOTE: The sale of the chametz is a binding legal transaction. The utilization of this chametz while it still belongs to the gentile is an act of theft. Please take care to leave the chametz aside until 10:30 PM on Saturday night, April 11, at which point the rabbi will have re-purchased the chametz for all its original owners.

Start of the Seder

One may not fulfill any of the mitzvot related to the Seder until Pesach actually begins, at nightfall on the 15th of Nissan. This coincides with 8:44 P.M. on the night of the first Seder, Friday, April 3rd, and 8:45 PM on the night of the second Seder, Saturday, April 4th. Great care should be taken to recite the Kiddush and begin the Seder only after this time. With the understanding that such a late start time makes it difficult to enjoy a protracted Seder, below are some suggestions to streamline the Seder and keep it from becoming unnecessarily drawn out.

- Station Matzah, Marror, and other Seder Plate items throughout the table. Participants can take for themselves rather than the Seder Leader passing the portions all around the table.
- Remember that analyzing and conversing about the Haggadah can continue to take place even after it has been read and everyone is enjoying dinner. Consider streamlining things by capping the number of thoughts that each participant may share while the Haggadah is read and waiting until dinner to continue the conversation.
- If younger children are the motivation to start the Seder early, consider a pre-Seder Seder for them. Sit down with them before the Seder officially begins, have them eat dinner, hear the thoughts and songs they've learned at religious school and want to share with their family. They can fall asleep even before the Seder begins, having already been given important holiday memories.

REMEMBER THE SYNAGOGUE IN YOUR WILL

When someone draws his last will and testament, he attempts to provide security for the people and institutions that he loves and cherishes. How fitting, therefore that one should consider the inclusion in his will of a gift to his synagogue to help it serve the generations which are to come after us.
