FROM THE RABBI

PRAY FOR THE WELFARE OF THE GOVERNMENT

The Ethics of the Fathers tells us in Chapter 3, Mishnah 2, "Pray for the welfare of the government." We have always practiced that dictum at Congregation Etz Chayim. Every Shabbat morning we offer prayers not only for the government of Israel, but also for the United States.

Throughout history Jews have lived in lands throughout the world. The relationship between the Jewish community and its host governments has taken a gamut of forms, encompassing the good, the bad, and the ugly. Unfortunately, we have at times even experienced government-sponsored antisemitism.

In the United States our people have been quite fortunate. Yes, we have had some scary circumstances, especially in the recent past. All things considered, however, I am still a proud American who believes in the American system.

As a new Congress begins its term I am reminded of the words of the prayer that we recite every week, and I pray that it continues. "In their days and in ours may Judah be saved, and may Israel dwell securely."

Rabbi Evan B. Rubin

FROM THE ADMINISTRATOR

VOLUNTEERISM IS THE BACKBONE OF OUR SYNAGOGUE

There is always talk of how our community and our synagogue have a shrinking population. With a declining membership comes, of course, a decrease in the amount of incoming funds to the synagogue. While this may be the case, there is no decline or lack of people who come forward to help maintain and sustain this wonderful shul.

The Sisterhood has always been the backbone of the synagogue and currently this is no exception. The Sisterhood ladies prepared a wonderful Chanukah lunch for everyone with a delightful line dancing program which was enjoyed by over sixty people. It took many people working in the kitchen and shopping for supplies to make this happen.

The Kitchen Committee works tirelessly to prepare birthday and anniversary lunches on a monthly basis. There are always ladies in the kitchen baking cakes and cookies for weekly Shabbat kiddushes and Shalosh Seudas as well as holiday goodies.

Volunteers on the House Committee are in the synagogue on a regular basis evaluating the needs of our building and on call if anything needs immediate attention.

The office is so very fortunate to have volunteers help with the sending out of contribution cards when donations are called in, as well as helping to create and prepare the monthly bulletin to be mailed out to our membership. Many times people are called upon to fold, stuff and seal letters and envelopes for mailings that need to go out to the congregation.

Of course, the dedicated men who attend the morning and evening minyanim help maintain the Orthodox tradition of having services available on a daily basis. The Religious Committee meets regularly to attend to the needs of the services and holidays.

There is always a need for money to help maintain the synagogue on an ongoing basis. Donations made by our members and others as well as people who help underwrite various programs are a valuable asset to our congregation. But all the money in the world cannot keep the synagogue alive and vital without the dedicated people who give of their time and energy to help keep Orthodox Jewry alive and well in Toledo, Ohio.

All of our volunteers are the backbone and lifeblood of our shul. If you are interested in volunteering, please call the office and let us know how you would like to help.

UPCOMING PROGRAMS

Our friends and family from Etz Chayim are warm and giving. There was immediate response to my Christmas Day plans to volunteer at the Cherry Street Mission. Susan, the volunteer director was thrilled with the number of people coming from Etz Chayim. She said that our members served lunch, prepped in the kitchen, had a meal with the Cherry Street friends and had encouraging conversations with them. It is important to cheer up the people during the holiday time. The direct connection our community has with the Cherry Street guests is so heartwarming.

Thank you everyone who participated.

Jewish Living Center and the Lucas County Traffic Safety Program present:

KEEP YOUR KEYS: EMPOWERING YOUR INDEPENDENCE

Nearly half of senior drivers worry about losing their freedom and mobility when it's time to give up the car keys, according to a survey conducted by AAA. Because "keeping the keys" is important to mature drivers, Lucas County Traffic Safety Program is partnering with Jewish Living Center of Greater Toledo to help mature drivers gain the confidence and skills necessary to drive safer, longer.

Join us for a 4-week workshop featuring experts and information that will keep senior drivers driving as long and as safely as possible. Each session will be from 1 p.m. to 2:30 p.m. at the Sekach Building, 6505 Sylvania Ave.

Session 1: Thursday, March 28

Pharmacy and audiology experts will speak on what effects driving ability; blood pressure and hearing checks

Session 2: Thursday, April 4

The Distracted Brain with Jamie Blazeovich and Keeping the Keys with AAA

Session 3: Thursday, April 11

Roundabouts and Safety with ODOT, expert speakers from UTMC, Tai Chi, and the Ohio State Highway Patrol
CarFit registrations will be available

Session 4: Thursday, April 18

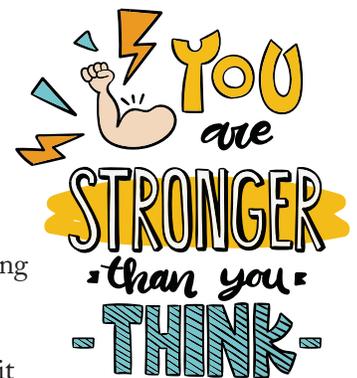

CarFit Check-Ups: Trained technicians will assess how well the senior driver's car "fits" them. Technicians will check steering wheel tilt and position, the distance at which the driver sits from the steering wheel, the line of sight above the steering wheel, the position of the driver to gas and brake pedals, and adjust mirror settings to eliminate blind spots
(Registration for CarFit appointments required – each appointment lasts 20 minutes)

SPACE IS LIMITED - REGISTRATION REQUIRED FOR ALL WORKSHOPS BY FRIDAY, MARCH 22
Call the Registration Hotline at 419-531-2119 #2 or email registration@jewishtoledo.org

Explore CIRCUIT TRAINING

Choose Friday, Jan. 18 or Friday, Jan. 25

Great news - Jewish Living Center has new equipment for our exercise classes and we're excited to share it with you! Eileen will be demonstrating the new equipment and so you can try it out for yourself. This is a great introduction to our circuit training gear including proper technique and handling.
