FROM THE PRESIDENT

I am so looking forward to seeing many of our Shul members for the Shabbat service on May 15. Protocols will be in place with masks and social distancing, but that will not deter us from joining together to pray in our synagogue. Further, please also join your fellow members for the Shavuot program and luncheon on Sunday, May 16, as well as for Yizkor services during Mincha on Tuesday, May 18, at 5:30 p.m.

The Board and its committees are also focusing on the High Holidays which start in early September. At the same time, we will continue to hold Mincha services on Sundays, Tuesdays, and Thursdays at 6:00 p.m. at the Shul.

The need for clergy is of the utmost importance. The Board is well aware of the challenges the pandemic has placed on us all, but we are working on options which will enable us to again experience a full and vibrant Congregation Etz Chayim as soon as possible.

Steve Marcus, President

SHAVUOT

It is ironic that Shavuot is such a little-known holiday, given that it commemorates the single most important event in Jewish history – the giving of the Torah at Mount Sinai.

Shavuot occurs on the 6th of Sivan, the culmination of a seven-week period, "counting of the Omer," that occurs following Passover. The very name "Shavuot" means "weeks," in recognition of the weeks of preparation and anticipation leading up to the Sinai experience. Since Shavuot occurs 50 days after the first day of Passover, it is sometimes known as "Pentecost," a Greek word meaning "the holiday of 50 days." (Shavuot, however, has no connection to the Christian Pentecost holiday.)

Three millennia ago, after leaving Egypt on the day of Passover, the Jews traveled into the Sinai desert. There, the entire Jewish nation – 3 million men, women and children – directly experienced divine revelation:

God spoke to you from the midst of the fire; you were hearing the sound of words, but you were not seeing a form, only a sound. He told you of His covenant, instructing you to keep the Ten Commandments, and He inscribed them on two stone tablets. (Deut. 4:12-13)

The giving of the Torah was an event of awesome proportions that indelibly stamped the Jewish nation with a unique character, faith and destiny. And in the 3,300 years since, the Torah's ideals – monotheism, justice, responsibility – have become the moral basis for Western civilization. In the words of U.S. President Calvin Coolidge, "The Hebraic mortars cemented the foundations of American democracy."
