Pre- Passover Zoom Discussion

Led by Marcy Steingroot

The Shabbos preceding Passover is traditionally referred to as "Shabbos HaGadol," literally, "The Great Sabbath." On this special Shabbos, it is customary for the Rabbi's drasha to focus on a topic related to Passover, thus serving as a preparation for the upcoming holiday. This year's discussion will be led by our own congregant Marcy Steingroot on Sunday, April 2 at 7:00 p.m. on Zoom. The topic for the evening is "Memories of Passover". Gather your memories so you can contribute to the conversation. Be sure to join us for this reflective and nostalgic discussion.

Please register with Elsa at 419-473-2401 or elsa@etzchayimtoledo.org to receive the Zoom link.

FROM THE PRESIDENT

As spring approaches, so does the preparation for Pesach. Soon, Jews all over the world will gather around Seder tables to retell the awesome story of our journey from slavery to freedom. It is also a time for optimism, song and celebration, and time together with family and friends. We also love to see our shul members gather together for prayer and look forward to you joining us for minyan and Shabbat Services.

On behalf of the Board of Trustees, we wish you a joyous and meaningful Passover!

Marc Jacobson,
President

SISTERHOOD NEWS

Sisterhood held their monthly meeting on Tuesday, March 7 in person. It was nice to see everyone who could make it. Thanks for coming!

During the meeting it was decided that unclaimed Purim bags will be donated to the Jewish residents in various nursing home facilities in our area.

This spring Sisterhood is planning another wonderful trip to Hoen's Nursery on Tuesday, May 9 at 10:00 a.m. A presenter will teach everyone how to plant and make container arrangements. Each person may bring their own container or buy one there. Plants will be available to place into containers. The staff will help everyone develop each container depending on shade and amount of sunlight that the plants need.

The annual Mah Jongg Tournament has been set for Wednesday, July 12, 1:00-4:00 p.m. The cost will be \$5.00. Mah Jongg enthusiasts, put this date on your calendar for a fun afternoon!

APRIL PROGRAM NEWS

Join us for Shabbat services on Saturday, April 15 while Rabbi Belsky leads the service. We will have a special Kiddush luncheon following services to honor those celebrating April Birthdays and Anniversaries. Many thanks go to Elsa and the many women who plan and prepare the meals for the Shabbat Birthday/ Anniversary Kiddush luncheons each month. These luncheons would not be possible without their time and dedication. Thanks also to those who help with the set-up and clean-up. Teamwork and dedication—that is what makes our Etz Chayim family so extraordinary!

Near or far, our family stays together. We are so lucky & excited to have Marcy Steingroot join us to lead an evening of "Memories of Passover." Register & join in on Sunday, April 2 at 7:00 p.m. on Zoom. Thanks to Elsa for planning & organizing with Marcy for this very special evening.

Our favorite morning in-person Poker & Mahj games are planned for Sunday, April 30, 10:00 a.m.-Noon. Come together for two hours of socializing, fun playing and a good time.

SAVE THE DATE: We are also fortunate to have our Naomi Baron and Andrea Delman lead another Book Discussion & Art Tour on Thursday, May 11 at 7:00 p.m. on Zoom. The book being discussed is *People of the Book* by Geraldine Brooks. It is a compelling fictionalized history of the Sarajevo Haggadah, one of the oldest Sephardic Haggadahs in the world. Start reading and join the interactive discussion group in May.

I would like to wish everyone a meaningful Passover. Enjoy time with family & friends.

Warmly,
Nancy Jacobson

IMPORTANT PASSOVER INFORMATION

ARRANGEMENTS HAVE BEEN MADE WITH CONGREGATION B'NAI ISRAEL & CHABAD FOR SALE OF CHAMETZ. THE APPROPRIATE FORMS FOR EACH ARE INCLUDED IN THIS HASHOMER. PLEASE CONTACT B'NAI ISRAEL OR CHABAD DIRECTLY WITH ANY QUESTIONS.

Ma'os Chitim: Because of the great expense in purchasing the wine, matzah, and kosher for Passover food necessary for a proper observance of the holiday, charity is collected in the weeks prior to Pesach for the specific purpose of helping those who have a difficult time meeting these expenses. This campaign is traditionally referred to as "Ma'os Chitim," literally, "Money for Wheat," referring to the high cost involved in properly tending to the wheat so that it may be turned into matzah. We will be collecting money to be distributed to the JFS Food Pantry. Please make checks payable to "Congregation Etz Chayim," and include "Ma'os Chitim" in the memo. If you are in need of financial assistance in properly preparing for the holiday, please contact Jewish Family Service.

Prohibition of Chametz: Chametz is defined as any product made of the five grains—wheat, barley, oats, spelt, and rye—which has been given an opportunity to leaven. In addition to the prohibition against eating these foods, the Torah forbids even owning such products on Pesach. To ensure that no chametz be in our possession during the entire duration of the holiday, a number of practices are put into place: Bedikas Chametz, Bitul Chametz, and Mechiras Chametz (see below). As a practical matter, only items that bear proper "Kosher for Passover" certification should be eaten on Passover. Due to the complexities of industrial food production, items cannot be deemed kosher for Passover simply by analyzing the printed ingredients.

Prohibition of Kitniyos: The long-standing tradition amongst Ashkenazic Jews has been to refrain from eating "kitniyos" on Pesach. Though literally translated as "legumes," in the context of Pesach, the term includes a litany of other items that could be confused for genuine grains. Examples include corn, peanuts, beans, peas, mustard seed, and soy, as well as any of their derivatives, such as corn syrup, peanut butter, and tofu. As mentioned in regards to chametz, only foods that bear proper "Kosher for Passover" certification should be utilized during the holiday.

Bedikas Chametz: In order to ensure that chametz has been completely eradicated from our homes prior to the onset of Pesach, the Sages enacted the practice of "Bedikas Chametz," or "Searching for Chametz," to be done after nightfall on the eve of Pesach. The Sages called for this to be done specifically at night because of the ability to detect smaller crumbs in the nooks and crannies of the home by candlelight at night than by sunlight during the day. Any areas of the home which cannot be safely checked by candlelight should be examined with a flashlight. Bedikas Chametz should be performed this year on Tuesday night, April 4, after 8:32 p.m. Following Bedikas Chametz, the appropriate Nullification of Chametz should be recited (see Bitul Chametz, below.)

Bitul Chametz: As a safety measure to ensure that no chametz is left in our possession over Pesach, "Bitul Chametz," or, "The Nullification of Chametz" is performed. This is a verbal declaration whereby the owner removes all ownership over any chametz that may still be left in his possession. This declaration is made twice, each with a slightly variant text from the other. The first declaration is made following Bedikas Chametz (see above). In this declaration, we nullify all that we have not found and are unaware of, but retain ownership over chametz which we are aware of. This exclusion is made so as to still retain ownership over the chametz which we will burn the following morning at Bi'ur Chametz (see next page). The second declaration is made following the burning of the chametz on the morning before Passover. In this declaration, we remove ownership from any and all chametz which may still be in our possession. The text for each declaration can be found in any standard Haggadah. Because this is a legal declaration, it is imperative that the meaning of the declaration be understood in its entirety. As such, the declaration should be recited in English, and may then be repeated in the original Aramaic if desired.

Bi'ur Chametz: Literally, "The Destruction of the Chametz." Destroying chametz is an independent mitzvah commanded by the Torah, apart from the overarching need to rid one's home of chametz. This mitzvah can only be performed with chametz that we still own. It is for this reason that the Nullification of Chametz recited this year on Tuesday evening, April 4, following our search for the chametz (see Bedikas Chametz on previous page) was limited only to that chametz which went unfound and of which we were unaware. We make a point of retaining ownership over the chametz which we are aware of so that we will be able to actively destroy it the next morning in fulfillment of this Biblical mitzvah. We make a point of burning the chametz, as opposed to destroying it through some other means, in order to fulfill the mitzvah according to R' Yehudah, whose opinion as stated in the Mishnah is that burning the chametz is the only manner in which this mitzvah may be fulfilled. The remaining chametz should be eaten before 11:27 a.m. and sold and burned before 12:32 p.m. on Wednesday, April 5, and no chametz should be eaten afterward until the closing of Pesach.

Mechiras Chametz: Chametz that the owner does not wish to destroy before Pesach may be sold to a gentile. To effect this sale, the rabbi is given "power of attorney" over a person's chametz and then sells it to a gentile on the owner's behalf on the morning before Pesach.

PLEASE NOTE: The sale of the chametz is a binding legal transaction. The utilization of this chametz while it still belongs to the gentile is an act of theft. Please take care to leave the chametz aside until 9:30 p.m. on Thursday night, April 13, at which point the rabbi will have re-purchased the chametz for all its original owners.

Start of the Seder

One may not fulfill any of the mitzvot related to the Seder until Pesach actually begins, at nightfall on the 15th of Nisan. This coincides with 7:46 p.m. on the night of the first Seder, Wednesday, April 5, and 8:47 p.m. on the night of the second Seder, Thursday, April 6. Great care should be taken to recite the Kiddush and begin the Seder only after this time. With the understanding that such a late start time makes it difficult to enjoy a protracted Seder, below are some suggestions to streamline the Seder and keep it from becoming unnecessarily drawn out.

- Station Matzah, Marror, and other Seder Plate items throughout the table. Participants can take for themselves rather than the Seder Leader passing the portions all around the table.
- Remember that analyzing and conversing about the Haggadah can continue to take place even after it has been read and everyone is enjoying dinner. Consider streamlining things by capping the number of thoughts that each participant may share while the Haggadah is read and waiting until dinner to continue the conversation.
- If younger children are the motivation to start the Seder early, consider a pre-Seder for them. Sit down with them before the Seder officially begins, have them eat dinner, hear the thoughts and songs they've learned at religious school and want to share with their family. They can fall asleep even before the Seder begins, having already been given important holiday memories.

**BE SURE TO MAKE AN ERUV TAVSHILIN FOR THE FIRST DAYS OF
PASSOVER WHICH FALL THE TWO DAYS BEFORE SHABBOS**

This year, the first two days of Yom Tov fall on Thursday and Friday, April 6 & 7. Saturday, April 8 is Shabbos. Since we do not cook on Yom Tov for the next day of Shabbos and we cannot prepare meals on the Shabbos, we must make an *Eruv Tavshilin*. To do this, we set aside two cooked items on Erev Yom Tov (Wednesday, April 5) usually a hard boiled egg and a board of matza, and make the following declaration:

Blessed art thou, L-rd our G-d, King of the Universe, who hast sanctified us with thy commandments, and commanded us concerning the observance of the *Eruv*.

By means of this *Eruv*, may we be permitted to bake, cook, keep dishes warm, light Sabbath lights, and prepare during the festival all we need for the Sabbath - we and all Israelites that live in this town.

(Through this procedure, the preparation for the Shabbos meals has begun technically before the Yom Tov, thus making it permissible to continue the preparation on the following days as well.)
